

TRANSPORT / PARKING

Parking

We recommend getting to the Concert by public transport as it's better for the environment and parking is limited. Closest car parking would be located at the Domain Carpark although there are numerous carparks along Macquarie Street. Street parking can be found along Macquarie Street & Art Gallery Road although these are metered and may not be convenient on the evening of a concert.

Public Transportation

Martin Place, Circular Quay and St. James Stations are very close to the Domain. Circular Quay is a short walk away. Buses run past the venue along Macquarie and Elizabeth Streets with regular frequency.
